“I have worked with Strong Design Studios on dozens of projects over the past three years and they are always on-point and on-time. Not only are they intuitive about my creative needs, but they are also incredibly dependable in terms of timeliness and attention to detail.”

- Jackie Brown, Owner of JaxDesign

“Melissa is wonderful to work with. She listens carefully to the client’s wants and needs as well as also seeming to have an intuitive sense of what I am looking for. She is dedicated, hard-working and skilled at her craft.”

- Jan Olsen, Owner of BeeSoBusy
